

# OXFORD UNIVERSITY HARRY POTTER SOCIETY

## Rules

- For asterisked items, one photo may score per item in the category; otherwise at most one photo may score per item.
- Each photo may only count for one item.
- Use of Google is encouraged.
- Photos must be submitted via any practical means (email attachment, Dropbox, printed copies etc.) to Alex Homer (ouhpsocitofficer@gmail.com); printed copies may be sent via Oxford University internal mail addressed to "Alex Homer, Wolfson College" to arrive by midnight at the end of Saturday of First Week (28th April). Please identify photos by the number of the item for which you intend them to score.
- Not all of the items on this list are necessarily possible, as some refer to specific items which we cannot guarantee are still on display. In that event, they will not be counted against you for the purposes of Item #50.
- The judges' decision is final. The winning team will be announced at the Society's screening of *Harry Potter and the Chamber of Secrets* in Second Week.
